Description of Change:

Littelfuse Inc. would like to inform customers that it will cease production of its lead based Pulseguard series of products on December 31 2008. The product series impacted are the following.

PulseGuard ESD Suppressor Series

PGB0010603, PGB002ST23.

The final date for which orders will be taken is September 30, 2008.

In all cases Littelfuse has Lead-Free alternative series now available .

The most up to date information on these series can be found on the Littelfuse website, http://www.littelfuse.com/.

Littelfuse Inc is implementing this change so that it can continue to pursue a policy of manufacturing and selling "Green" products.
